RE : Benefits During Work Stoppage/ Strike/ Lockout

Dear Members,

As part of the preparation process for a potential work stoppage, the National Office has secured Canadian Benefits to provide Emergency Dental and Major Medical coverage to eligible members and their dependents.

You will find enclosed a more comprehensive explanation of the coverage available as well as the claim form. The completed form as well as scans of the original receipts are to be sent by email to: [info@canben.com](mailto:info@canben.com). The member must retain all the original receipts.

Canadian Benefits will administer the Emergency Benefits for the duration of any work stoppage. Canadian Benefits will manage the plan in tandem with the National Office.

Any questions related to the coverage or claim submissions, please contact Canadian Benefits representative Laura Barlett at 1-800-269-0285, extension 245.

In solidarity,

Chris Lowe  
Secretary Treasurer
